

COP 4720 - Information Systems and  
Databases II, Spring 2008,  
Optional Homework

Due date: 04 / 23 / 2008

Turn in hard copy

April 17, 2008

This homework is optional. The points you get from it will be added as extra points to your total point grade. The point value of this homework is 40% of that of one standard homework we had in the class this semester.

This homework covers serializability (Chapter 18). All the questions are from the text book.

1. 18.2.4 c, d (i and ii)
2. 18.3.3 c, d
3. 18.8.1 c, d
