The College of Engineering has established uniform tracking criteria (pre-professional requirements) for all its programs and/or departments. Anyone with specific questions regarding majors in the Computer & Information Science & Engineering Department (CISE) are encouraged to contact our Student Services Center in CSE E405. **Students who do not achieve minimum tracking criteria must see an advisor to discuss options before they will be permitted to register.**

Minimum Performance Standards:

**Semester 1 (FALL/SPRING)**
- Total Completed Tracking Courses: 1
- GPA for Tracking Courses: 2.5
- Overall GPA: 2.0

**Semester 2 (FALL/SPRING)**
- Total Completed Tracking Courses: 2
- GPA for Tracking Courses: 2.5
- Overall GPA: 2.0

**Semester 3 (FALL/SPRING)**
- Total Completed Tracking Courses: 4
- GPA for Tracking Courses: 2.5
- Overall GPA: 2.0

**Semester 4 (FALL/SPRING)**
- Total Completed Tracking Courses: 6
- GPA for Tracking Courses: 2.5
- Overall GPA: 2.0

**Semester 5 (FALL/SPRING)**
- Total Completed Tracking Courses: 8
- GPA for Tracking Courses: 2.5
- Overall GPA: 2.0

The College of Engineering requires a 2.5 Tracking GPA throughout the completion of all 8 tracking courses (CHM 2045, CHM 2046/Biological Science, MAC 2311, MAC 2312, MAC 2313, MAP 2302, PHY 2048, PHY 2049) and based on all attempts. In addition, the CISE Dept. will only allow 2 tracking courses to be *repeated*, each only having 1 additional attempt.

*A repeated course does not include a first attempt of a “W”.*
