- **Pop-up Services prior and after showcase**

Erin Lin

Assistant Director for Industry & Career Engagement

Elin@ufsa.ufl.edu

What comes to mind when you think of "career"?

What is the Career Connections Center?

The University of Florida Career Connections Center inspires you to *bridge the gap* between where you are now *to meaningful possibilities.*

Career Action Plan Mindsets

Learn about Yourself & Career Options

Students test and affirm the assumptions about who they are and their career options

Develop Professionally

Students learn and develop competencies related to their interests and world of work

Build Experience

Students gain exposure to a professional environment and demonstrate competencies specific to fileds or industries of interest

Prepare for Your Next Steps

Enables students to make informed decisions about their next steps

Reflection

Learn About Yourself and Career Options

- **CHOMP helps you:**
  - Take assessments to discover your strengths, values, and personality
  - Explore different majors @ UF- *not for you!*
  - Learn more about different careers and industries that are a good fit
  - Create an action plan for moving forward

Log in with your GatorLink at **career.ufl.edu/chomp**
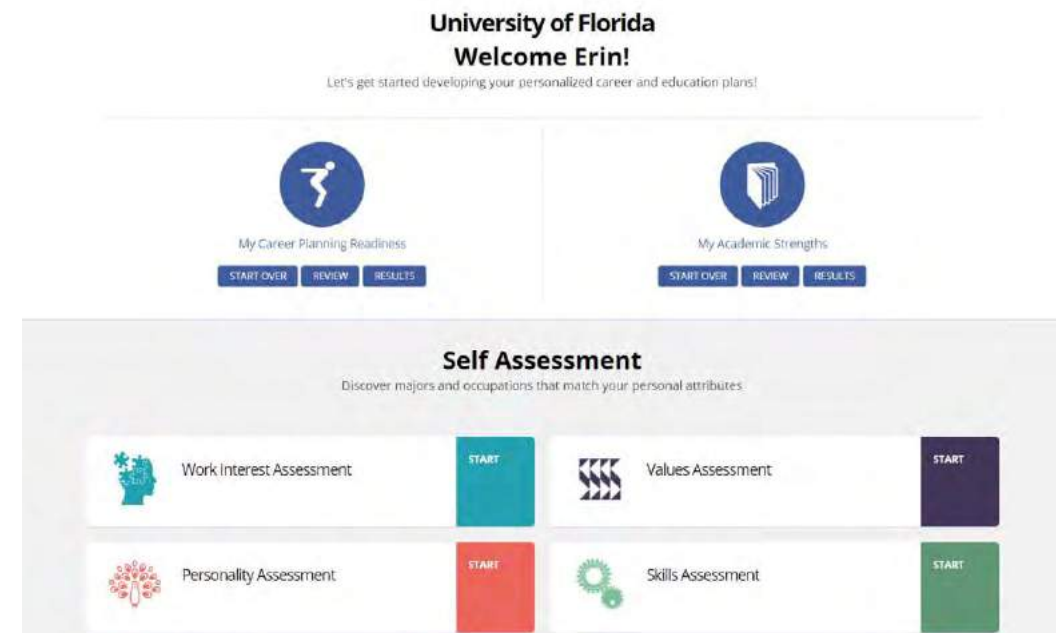

Career Success Institute

Six-week Career and Leadership Opportunity

- Learn about how your personality, values, and strengths relate to career possibilities

- Build connections and support with students, staff, and mentors

- Gain professional development to prepare you for on and off-campus experiences

Take a Class with Us!
The Art of Getting Hired | IDS 2935

- Our interactive class is designed to meet you wherever you are in your journey to:
  - Explore and pursue possible career paths
  - Learn research-supported techniques that can help you land a job or internship
  - Build community with other job seekers and professionals

"This course has by far been one of the **most useful classes I have taken** in my schooling career due to it teaching **everyday life lessons that I can actually use** in my professional life..."
